

Privacy policy

EZtoRoute privacy policy

EZtoRoute respect your privacy - all information that we gather is used exclusively for giving a service to registered users. Especially: EZtoRoute do not market or otherwise reveal your information to third parties; your information gathered within EZtoRoute is not used to target ads.

Regarding information that we collect

We collect the minimum of information, which is required only for GPS tracking. Such as: Username and password are used to authorize and identify our users. Our users' passwords are irreversibly mixed before being stored in our database. We do not gather simple text passwords; E-mail address is only used for informing EZtoRoute users of our company changes in service and for resetting passwords; GPS location data which is sent by yours GPS device or your mobile device when you use EZtoRoute tracking software.

We pass on the following data: your GPS coordinates, speed, altitude, heading, current time, communication, various sensor parameters. We do not pass on your phone contact lists or data stored on your mobile device.

Regarding security

Your data which you provide to EZtoRoute is stored on secure servers. Our company have taken further actions to prevent unauthorized access to your data, including running firewall software and keeping our servers up-to-date with security patches. However, we cannot guarantee non-disclosure of personal information due to factors beyond our control. If you believe that your account has been hacked, please contact us as soon as possible.

Regarding cookies

EZtoRoute, we use cookies exclusively for session regulation (to identify user during login process) and for storing preferences. A "cookie" is a small text file that may be used to collect information about web site activity. Some cookies and other technologies may recall personal information previously provided by a web user. Majority of our cookies expire as soon as you log out or close the browser window.

Updates to this policy

Is our company right to update this policy from time to time. If we deem the change to be material, we will post a notice on our homepage and/or send an e-mail to our users.
